

## Have you failed your Water Restoration Inspection?

If you have failed your Water Restoration Inspection but need the water turned on for a buyer's inspection or an appraisal (or another similar purpose), a **temporary water turn on** is available to you.

The cost is:

\$65 if the turn on and off takes only one trip and lasts one hour or less, or

\$130 if the turn on and off takes longer than one hour or requires two visits to the property.

***Water will not be left on overnight.***

Payment must be made prior to the temporary water turn on at the Public Works Department (1831-111<sup>th</sup> Avenue NW). Exact cash or check/money order is accepted.

Appointment times are Monday – Friday, 8 a.m. – 2 p.m.

For more information, or to schedule an appointment, please call Kari at 763-767-6584.

**\*\* Please remember that this is just a temporary water turn on for a specific purpose. In order for the water to be turned on permanently, you must comply with all of the items identified in the original Water Restoration Inspection, schedule and pass the re-inspection.**
